Our Ref: Pilot Fatality

20 March 2013

IMPA NOTICE NO 858

Dear Colleagues

It is with great regret that I must advise of the sad loss of a pilot on duty. Captain Frank Knowles was lost last week whilst boarding the bulker "Pipit Arrow" off Panama City in Florida.

IMPA extends its sympathy to his wife and children on their tragic loss.

This event is a sad reminder to all members of the dangers posed by the profession.

Yours sincerely

Nick Cutmore
Secretary General
